

# Automated External Defibrillator (AED): How to Perform a Monthly Maintenance Check

## Cardiac Science Powerheart G3 & G5

1. Open the lid.
2. Wait for the AED to indicate status. Observe the change of the status indicator to **RED**.
3. After approximately five seconds, verify that the status indicator returns to **GREEN**.
4. Check expiration dates on the electrodes/pads.
5. Listen for the voice prompts, and check that the display shows the proper corresponding text prompts.
6. Close the lid. Observe the change of the status indicator to **RED**.
7. After approximately 5 seconds, verify that the status indicator turns to **GREEN**.
8. If any of the following items need attention or replacement, indicate so in the "Notes" field of your online form. These notes will be submitted automatically to EHS for attention.

- AED accessory kit
- Electrodes/pads
- Contact card
- Incorrect location

9. Complete online form found [here](#). NOTE: The form includes extra steps for other AED models. Be sure to check the boxes indicated for Cardiac Science.
