

SciShield Managed Buildings Interface

This guidance document provides facility managers/coordinators with a view of EHS building inspection reports, findings, and a list of buildings you are responsible for. The Inspection Log and Finding Occurrences menus also allow you to search by different fields to narrow down information you are interested in.

Managed Buildings Interface

- Log into SciShield (formerly BioRAFT) at <u>https://tamu.bioraft.com/</u>
- Click "Managed Buildings" to expand your options.
