

## Annual Shop Inspection Schedule (By Building Number)

| Bldg # | Bldg Name                                 | Month Due |
|--------|---|-----------|
| 7      | Maintenance Machine Shed                  | November  |
| 39     | Aquaculture Main Lab & Office             | August    |
| 43     | Field Lab Maintenance                     | April     |
| 45     | Field Lab West                            | April     |
| 50     | Field Lab Equipment Shed                  | April     |
| 51     | Field Shop                                | April     |
| 181    | Equine Initiative Equipment Shed          | August    |
| 270    | ETED                                      | February  |
| 275    | Liberal Arts & Humanities Bldg            | October   |
| 279    | Texas Forestry Service Head               | April     |
| 315    | Pump Maintenance Building                 | March     |
| 325    | CVE Lab Building                          | July      |
| 348    | Pump Maintenance Building                 | January   |
| 353    | H. R. Bright Building                     | March     |
| 359    | Langford B                                | July      |
| 367    | Kyle Field                                | July      |
| 376    | New Chemistry                             | February  |
| 378    | Southside Parking Garage                  | December  |
| 386    | Jack E. Brown                             | November  |
| 387    | Richardson Petroleum Engineer             | April     |
| 391    | Engineering/Physics Lab                   | June      |
| 398    | Langford Architecture Bldg A              | July      |
| 432    | Old Architecture                          | July      |
| 434    | Cyclotron                                 | April     |
| 438    | Harrington Lab                            | May       |
| 446    | University Center (Rudder Tower & Theater | June      |
| 449    | Biological Science Building We            | October   |
| 450    | Duncan Dining Hall                        | October   |
| 454    | MSC                                       | April     |
| 477    | Anthropology                              | July      |
| 483    | Mechanical Engineering                    | December  |
| 490    | Halbouty Geosciences                      | August    |
| 496    | Utilities Central Office                  | June      |
| 499    | Engineering Innovation Center             | July      |
| 514    | Munnerlyn Building                        | October   |
| 518    | Zachry Engineering                        | May       |
| 519    | Moore Communications Center               | June      |
| 520    | Beutel Health Center                      | April     |

| Bldg # | Bldg Name                                   | Month Due |
|--------|---|-----------|
| 635    | Grounds Maintenance Equipment               | April     |
| 682    | Wisembaker Engineering Researc              | January   |
| 754    | Easterwood Shops & Storage                  | January   |
| 756    | Easterwood Hanger                           | May       |
| 816    | Main Pump Station                           | April     |
| 829    | Grounds Maintenance Office/Sho              | April     |
| 862    | Entomology Equipment Shed                   | July      |
| 880    | Vivarium I                                  | December  |
| 956    | Soil & Crop Sciences Greenhous              | Febuary   |
| 958    | Transportation Center                       | December  |
| 969    | Bus Operations                              | December  |
| 970    | Physical Plant (AM5 & GMA)                  | August    |
| 991    | VMP Shop                                    | June      |
| 1002   | Farm Service Garage #2                      | Febuary   |
| 1003   | Farm Service Shop                           | Febuary   |
| 1011   | Horticulture Garage & Implement             | October   |
| 1027   | Nursery Floral Field Lab                    | October   |
| 1029   | Agronomy Implement Storage                  | December  |
| 1030   | Agricultural Eng. Res. Shop                 | August    |
| 1034   | Power Machinery & Farm Mech                 | November  |
| 1065   | Forage Field Lab                            | September |
| 1066   | Breeding Field Lab                          | September |
| 1091   | Albritton Hanger                            | May       |
| 1140   | 89 Extinguisher Refill Building             | June      |
| 1156   | Physical Plant Administration               | May       |
| 1165   | Hazardous Waste Storage                     | Febuary   |
| 1168   | CUSE-Shop & Storage                         | May       |
| 1183   | Range Science Headquarters                  | January   |
| 1206   | Equipment Storage                           | Febuary   |
| 1218   | Refuse Collection Maintenance               | April     |
| 1242   | Utilities Water Operations Bldg F&B Storage | April     |
| 1243   | Plumbing Fabrication Shop                   | June      |
| 1244   | Distribution Plumbing Storage               | June      |
| 1245   | Cable Wire Storage Bldg.                    | June      |
| 1246   | Generator Storage Bldg                      | June      |
| 1269   | Low Speed Wind Tunnel Shop                  | August    |
| 1299   | Turbo Machine Lab                           | May       |
| 1363   | 86 - FTS Maintenance Shop - ESTI            | April     |
| 1502   | Soil & Crop/Entomology                      | June      |
| 1513   | Southern Crop Improvement Faci              | May       |
| 1540   | Phy Ed Activity Program Bldg                | September |
| 1550   | Pat Olsen Baseball Field                    | March     |
