

## **MEMORANDUM**

TO: Applicant

FROM: Radiological Safety Staff

Environmental Health and Safety

SUBJECT: Laser Permit Application

Attached is an application for a permit to possess and use laser(s) at Texas A&M University. The Adobe Acrobat PDF file can be completed on-line and signed digitally, or printed and signed. The Radiological Safety Committee requires this information before a permit can be issued.

All applicants are required to demonstrate training and experience in laser device operation. In addition, the Radiological Safety Committee require that an applicant and authorized user complete the online General Laser Safety Training course offered by the Environmental Health and Safety. You will find the training course by clicking here: <a href="https://ehsdtraining.tamu.edu/">https://ehsdtraining.tamu.edu/</a>. A laser application is considered complete when the following items are received by EHS:

- 1. Complete and signed laser application form
- 2. Schematic or drawing of proposed use location for all laser(s)
- 3. Standard Operating Procedures (SOP's) for the laser lab.
- 4. Please include a copy of the specification sheet that accompanies this laser.

By signing the laser application, you are attesting that you have read the University Laser Program Manual. The manual can be found by clicking here: <u>Laser Safety Program Manual</u>. You may also find the manual located on the EHS web page at <a href="https://ehs.tamu.edu">https://ehs.tamu.edu</a>.

You may contact us at (979) 845-1361 or by e-mail at radiological-safety@tamu.edu if you have any questions.

Thank You.

Radiological Safety Staff

## **Laser Permit Application**

All class IIIb and IV lasers used at Texas A&M University are required to have a permit from Environmental Health and Safety (EHS) [Refer to Section 6.1 of the Laser Safety Program Manual]. Safe laser use and procedural compliance is the responsibility of the laser permit holder. To apply for a permit, complete this application and submit it along with any necessary attachments to radiological-safety@tamu.edu or TAMU Environmental Health and Safety via MS. 4472. Contact (979) 845-1361 for any questions.
